COSTE IONUT

JUNIOR FULL STACK WEB DEVELOPER

ABOUT ME

Passionate and detail-oriented Full Stack Web Developer with 2 years of hands-on experience creating responsive, dynamic, and user-focused web applications. Proficient in modern front-end and back-end technologies including React, Node.js, MongoDB, and Tailwind CSS. Experienced in Agile environments and cross-functional teamwork. Eager to contribute to impactful projects and continue growing in innovative development teams.

EXPERIENCE

Freelance Web Developer (2023 - Present)

- Designed and deployed multiple full-stack web projects, improving user experience and client conversion.
- Collaborated with mock clients to plan, build, and refine UI/UX and backend logic.
- Gained proficiency in API integration, state management, and responsive design.
